SUNSET VILLAGE REHAB COMMUNITY PREVIEW SET FOR APRIL 2.

Sunset Village will be unveiling its new Rehab to the Community on **Sunday, April 2**, from **2-4 pm**.

Sunset Communities' families were given a sneak preview opportunity on March 29 and if you were unable to make it, we hope you'll join us on April 2, 2017.

The guests from the community will be able to view our new spacious therapy gym with our state-of-the-art equipment, a large Life Skills center complete with a kitchen, laundry center, bathroom and bedroom.

You'll also be able to see our Swimex Therapy pool! There are three private treatment rooms and you'll also be able to see the beautifully appointed client suites for those who may need inpatient treatment.

Sunset Communities is very excited to share this with the people in our area and we look forward to seeing you there!

SUNFLOWER LANE RENOVATIONS CONTINUE!

As previously reported, Sunflower Lane renovations are still underway. We continue to focus on the hallways and living rooms, and hope you'll be able to bear with the disruption this improvement brings.

Although we hoped to have a Grand Re-Opening celebration at the end of this month, it has been postponed to later this spring.

We apologize for any inconvenience the project has cause and appreciate your patience as we work to better our residents' home!

When a loved one is added to Ashanti Hospice, one of the many services available is professional social service visits. The client will be visited by a Licensed Social Worker (LSW) on a one-to-one visit, as often as the client needs. Visits are increased according to the clients needs. The LSW will visit with your loved one, talk about various events in their life or whatever is guided by what is occurring. The LSW is also available to the family for grief support and bereavement. As a family member of someone on hospice you'll receive 13 months of bereavement after your loved one passes. You'll have the same LSW throughout your time with Ashanti.

This is one of many benefits which is provided by Ashanti Hospice and Palliative Care.

"COMMUNITY CONNECTIONS" SUPPORT GROUP

Ashanti Hospice has a bereavement support group available to our residents, staff and families. Monthly, we'll discuss a topic (Friendships, family, changes in life, fear/worry/anxiety) and how it's affected by grief. The group will alternate meetings between Sunset House and Sunset Village.

The next meeting is Wednesday April 5, 2017 @ 10:30am in the Sunset House-Community Room
